# CONFERENCE

**NOTICE NOTICE....POSTPONED  
NOTICE NOTICE....POSTPONED**

THE DATE FOR THIS CONFERENCE  
HAS BEEN CHANGED /NOT CANCELED  
BUT THE TIME HAS CHANGED!!

From MARCH 27th 28th 29th 2020

to **SEPTEMBER 18th 19th 20<sup>th</sup>**

Detail here:

*Because of the state of Ohio Gov. and based on the Coronavirus issues.  
And there could be a shut down thru the end of the month also...*

The Governor has asked for all small and large group indoor and outdoor meetings to be suspended/cancelled. Local schools, daycare centers, colleges and ... any and all events. Even sports events have cancelled including the NBA.

LA and I have talked it over, prayed it over (and we have some cancelling coming here) and decided that:

1. The conference and its subject matter is too important so we don't want to 'cancel' it. We are just POSTPONING it.

2. The new date is **SEPTEMBER 18 19 20** everything else will remain the same. We will even have time to add video appearances of nationally known speakers/authors.
3. We cannot 'refund' any registrations ... please notice the 'nonrefundable' on the main and registration page. This is because thousands of dollars may be spent for the venue and all of its set up. Monies already spent on the venue cannot be retrieved or... be refunded.

**SO**

4. Your registration and all new registrations will be applied to the dates **SEPTEMBER 18 19 20**. Because of this mandatory change we will give ALL who have registered .. free access to the after conference ... video on demand /live stream to keep for your personal use.

**PLEASE CHANGE THE DATES.....ON YOUR FLIGHT...AND HOTEL RESERVATIONS... ASAP**

Shelly will be sending this info out to all who have registered up to this point by your given email.
